WELCOME TO ROAD FARM ! (see map too)

FARM FACTS:

- Mixed arable & livestock, 100Ha / 250 acres
- There are around 200 ewes, Simmental x cows, with Beef Shorthorn Bull called Elfin Ned
- Farmed by the Knight family for 65+ years.
- Parts of the farm go back to medieval times and we find Neolithic flint tools in the fields.
- This year's arable crops are special heritage wheat, oats, rye, spelt and flax.
- Mob grazing regenerative agriculture in progress
- Biodiversity encouraged through environmental stewardship & part of Farm Cluster group with Chalk Cherries and Chairs AONB project.
- Wildlife includes Barn Owls, Skylarks, Yellowhammers, Harvest Mice, Pyramidal Orchids, Glow Worms, Grass Snake etc.

COUNTRYWAYS CIC:

- The farm is the base for Countryways CIC, providing opportunities for those with learning difficulties, physical & mental health challenges.
- Our donkeys, goats, hens, rabbits & guinea pigs help specifically with Care Farming.
- We welcome school visits and other groups, to explore links in food, farming & conservation & benefit from positive wellbeing, all guided here.
- Also inspiring woodturning, home cooking, scything, and other craft skills.
- **Follow our Countryways Social Media and support our work with vulnerable people.**
